

## BUSINESS AND NON-INSTRUCTIONAL OPERATIONS

### Transportation Fees

Because the cost of providing student transportation exceeds funding provided by the state for that purpose, the Governing Board finds that it is necessary to charge fees for home-to-school student transportation. The Superintendent or designee shall submit proposed transportation fee schedules for Board approval as may be necessary upon review of operating costs. Fees shall be determined on the basis of operating costs in accordance with law.

No charge shall be made for any transportation of a student whose individualized education program requires transportation or whose parent(s)/guardian(s) are determined indigent pursuant to administrative regulations.
